**FURTHER SUPPLEMENT TO JOINT MOTION  
TO HOLD PROCEEDING IN ABEYANCE**

Christian Broadcasting System, Ltd. ("CBSL"), licensee of Station WLCM(AM), Charlotte, Michigan, by its counsel, hereby further supplements the Joint Motion to Hold Proceeding in Abeyance ("Joint Motion"), filed November 8, 2004, by CBSL and Rubber City Radio Group ("Rubber City"), licensee of WQTX(FM), Charlotte, Michigan.<sup>1</sup>

In this proceeding, the Commission is confronted with Rubber City's request to change the city of license of WQTX from Charlotte to Grand Ledge, Michigan, and CBSL's request to change the community of license of WLCM from Charlotte to Holt, Michigan. CBSL filed an application to make such a change during the filing window for Auction 84, the most recent AM auction proceeding.

---

<sup>1</sup> CBSL's initial Supplement was filed December 3, 2004.

Because WQTX and WLCM are the only two stations licensed to Charlotte, the Rubber City and CBSL requests are in conflict in that grant of both, under present circumstances, would leave Charlotte without a local transmission service.

Through their Joint Motion, Rubber City and CBSL have asked that this proceeding be held in abeyance while the Commission processes a Petition for Rulemaking filed by Rubber City in which it proposes to modify the allotment used by Station WJXQ to change the community from Jackson, Michigan, to Charlotte. The change would not necessitate any modification of the physical facilities of Station WJXQ. If that rulemaking were adopted, the conflict between Rubber City's proposal for WQTX and CBSL's proposal for WLCM would disappear.

As CBSL reported in its December 3, 2004 Supplement, the FCC identified CBSL's application to change WLCM's city of license to Holt as a "singleton." *See FCC Public Notice*, DA 04-3596 (released November 17, 2004).

Through this Further Supplement, CBSL reports that on January 14, 2005, it filed the required long-form application for major modification of WLCM to specify Holt as its community of license. The filing of that application makes unmistakable the need to resolve the conflict between CBSL's major modification application and Rubber City's proposal to move the WQTX allotment from Charlotte to Grand Ledge. If the Joint Motion is granted, however, that conflict can be resolved through the adoption of Rubber City's petition to change WJXQ's community of license. That resolution will permit the grant of both WLCM's application and the WQTX proposal.

WHEREFORE, CBSL respectfully requests that this Further Supplement be ACCEPTED  
and that the Joint Motion to Hold Proceeding in Abeyance be GRANTED.
